

A Long Task

Written by Michael Sun

Introduction

It is August 27th, 3164 in Stamford. It is in Stamford University. There is a class called 3F, there are twelve students, they are Robert, Lucy, Mary, Sam, George, Jacob, Helena, May, Tim, Justin, Stephanie and Jenni. Their homeroom teacher is Mr. Jones. But because he was swallowed by the police in the previous month. So their homeroom teacher is now Mr. Frank.

Chapter 1

The Mysterious Phone

Robert, Mary, Sam, George and Lucy arrived at Robert's house for a sleepover until August 31st, 3164. Their sophomore year starts on September 3rd, 3164. Robert's house was on the 17th floor. In apartment 4, which have 25 floors on it. When they reached the house, Robert pulled out his keys, it said, (1702) there were three houses in one floor unless the first and second floor. He put it in the keyhole, he opened it. Lucy went in. (CLUNK), she tripped. Sam picked up the phone, he was confused, so he asked Robert, "Robert, whose phone it is?" "I don't know, I have never seen it before." Robert answered, now all five of them are very confused, because of that, George pulled out a magnify glass and studied the phone and he grinned.

Chapter 2

The Mystery

They studied the phone very closely. "Let's check out the parts of the phone." Said George. "What, no way, how about we check on the internet and learn this phone." Mary replied. So they check the internet, it said this phone was made from HP, this was one clue Robert had to know whose phone it is. The second one says this phone was not popular. Robert had another clue. But before Sam could say the third clue. Robert's father interrupted them. "Better go to bed, kids." Robert sighed. "It's okay, we will check more clues next time." replied George. "All right, it's already 9:45 P.M. we better go to sleep." Robert mumbled. Robert was sleeping in the middle. His parent's bed was between his. Next to his parents are George and Lucy. Last, the most right and left are Sam and Mary. They went to sleep.

Chapter 3

The Credit Cards

The next day, after breakfast, they keep working on the mysterious phone. The clue that Sam wanted to say when he is interrupted by Robert's parents is that the phone started in 1967, in New York city. They are working on more clues when Mary took a walk, she stepped on something. Robert picked it up, it was 3 credit cards with small words, "This was hard to read." said Robert "I know how to solve it." said Mary, "Here, take this magnifying glass, it will make the words bigger for you to read." Robert read it. He was almost half close to the answer. The first one said that it is

part of his family. The second one said, it belonged to someone born in 3153. Robert was now confused. A lot of kids was born from 3152-3154. And he was born in 3155. The last one said, play this hangman, it will help you figure out the answer. Robert rushed to his friends in order to figure out the hangman.

Chapter 4

Robert's Confusing Things

Robert run to the four kids. “Guys, we have to solve this hangman.” “What, no credit cards have hangman.” said Sam “Well, you imbecile, as the great Daniel Lumberjack said and I quote (In the future, things will change. Having robots, which started in 2438. Will help you do chores. Credit cards will have differences for people in the future. In simple words, in the future, things will change, new inventions, and new rules for the future)” “Wow.” said Lucy. “Well, what are we waiting for, let’s figure this hangman out and find out the answer to who’s phone this is.” said Robert. They used their time to solve the answer.

Chapter 5

The Hangman Solving

They solve the hangman. “A.” said Lucy. It was incorrect. Oh, and if you get the wrong answer, it will knock you unconscious. Due to this, Lucy was knocked unconscious. “S” said George. It was correct. The correct answer will appear and move you one step. He moved one step. “o” said Robert. It was correct since there were two Os so he moved two steps. “p” said Mary. It was correct. She moved one step. “I know, it’s Spooky, my cousin.” Said Robert. It was correct, the credit card turned into a cup on Robert’s hand. “I am going to——” “Who said my name?” someone said, it was Spooky.

Chapter 6

Robert's Uninterested Fight

Robert was stunned. You see, he has been stunned when Garrulous Spooky was just telling a stupid, joke two months ago. However, this time, he was really pulling out of his mind on Spooky. “Robert, my cousin, how did you---” cried Spooky, but Robert interrupted him. “Never mind that, you bimbo, I will tear you to meatballs.” Robert barked as he chased Spooky down the house yelling at him to come back.

“AA
AAAAAAAAAAAAAAAAAAAAAAAAAAAA!” cried Spooky, “Ha-Ha-Ha-Ha-Ha-Ha-Ha-Ha-Ha.” cried Sam and Lucy. “Spooky will pied in the face.” said George and Mary. They had an interesting sleepover. They had great fun in solving this mystery, but wait, is it done?
